LADYBUG FUND 2024
WINETASTING & SILENT AUCTION

Sponsorship Opportunities

Dear Friend,

The 2024 Ladybug Fund Winetasting & Silent Auction will take place on Saturday, April 27 and we are excited to invite you to join us. This event provides much-needed funding for SOAR365 programs serving local children and youth, continuing SOAR365's mission to work in partnership with families to create life-fulfilling opportunities for individuals with disabilities.

Last year, this event raised a record-breaking \$226,000 for SOAR365 youth programs! Children who attend our afterschool and summer day programs, as well as our summer camp at Camp Baker in Chesterfield County, are learning and growing thanks to our community's generosity.

On April 27, more than 400 people will enjoy a relaxed spring evening filled with delicious food, craft beer, and fine wines. Guests can take part in a wide range of tastings of wines from the U.S. and abroad. There will also be a silent auction offering items and experiences for every taste, budget and interest!

Sponsorships are very important to the success of the event. Will you consider joining us as a 2024 Ladybug sponsor? Your support makes a real impact on the lives of children and youth who turn to SOAR365 not only to meet their needs but also to dream big and achieve their goals.

Gratefully,

Tom Cricchi

SOAR365'S MISSION IS TO CREATE LIFE-FULFILLING OPPORTUNITIES FOR INDIVIDUALS WITH DISABILITIES.

Helping children and youth soar!

Aidon Blake's love of music and waterparks helped him feel right at home at Summer Camp. In fact, his drumming made him the star of the talent show!

"I was excited for him to be in an inclusive space," says his mom, Beverley. Aidon Blake has autism. He has relatively low support needs, yet in programs designed for children without disabilities, Beverley notes, "I just don't feel like he's protected. There's a difference to himself and his processing."

Beverley had heard of SOAR365, but she didn't think she could afford to send her son to Summer Camp. Thanks to the generosity of SOAR365's donors, Aidon Blake received a scholarship making camp possible for him.

"He loved the paddleboats and horseback riding," says Beverley. Aidon Blake also enjoyed new experiences like the petting zoo and field trips. "He tried new food just because other people were trying it," says Beverley.

And he liked making friends who were different than him. His helpful nature won him an award for kindness, and he was inspired by a Summer Camp volunteer with disabilities. "He said, 'I can do that, Mom!' It gave him hope and a role model," says Beverley.
